with my God

Lo here the watchman fallen a sleep  
The Pastor that this flock did keep  
This Jacobs labours now are done  
He's gone to take his rest thereon  
Noe planet meteor falling light  
In's orb he shin'd a star molt bright  
Christs hand did hold him while he went  
His circuit in this firmament  
Weep Moreton thinke ont don't forgett  
Thy Cynosura now is sett  
Yet he's but chang'd the faint not dies  
This day star only sets to rise
